Conduct a neighborhood planning meeting
Create a plan
Street Parks Plans are submitted and reviewed by:
   - Larry Stringer, Deputy Director of Operations
   - Sandra Zuniga, Assistant to the Deputy Director
   - Jerad Weiner, Community Liaison

Things we are looking for:
   - Completeness: site plan, work plan, planting plan, budget, documentation of community support and involvement.
   - Safety: work plan covers how the project will be completed, any construction is completed by the appropriate personnel, retaining walls do not exceed 18 inches, right of way is not obstructed, project meets city standards.
   - Plausibility: Does the scale and scope of the proposed project match the neighbors capabilities?
